Description

In the heart of a vibrant neighborhood near Place Massena and Coulee Verte, this modern luxury building offers a well-designed

three-room apartment. Situated on the fourth floor, the property spans 65.77 square meters. The apartment features a welcoming entrance with built-in storage, leading to a spacious south-facing living room of over 28 square meters that includes an equipped kitchen area. Two bedrooms with ample storage overlook the garden of the joint property to the east, providing a peaceful retreat. The apartment also includes a bathroom and a separate toilet for added convenience.

The location is enhanced by the proximity of the Durandy tramway station, conveniently located at the foot of the building, offering easy access to the rest of the city.
